# TSP100GT

## It's All In One Box

Everything & More in One Box Plus LIGHTNING SPEED

The high-speed thermal POS printer available today with ALL accessories and software included.

Introducing the TSP100GT, the sophisticated addition to the TSP100 *futurePRNT* family. The TSP100GT brings all the attributes of the TSP100 including all parts and software being included in one box coupled with a print speed of 45 RPM(250 mm/sec).

To get you set up quickly, we've included an internal power supply, USB and power cables, complete mounting kits and a paper roll.

To bring you the future of receipt printing now, we're also including a full set of software utilities. Redesign your receipt without modifying your application. Add your logo. Add coupons. Preview receipts and enhance bar codes. Included operating system drivers allow for 'Plug & Play' automatic installation.

So reset your expectations—to 45 RPM! Demand everything from your receipt printer and show it off! The TSP100GT comes in Standard Star Gray, Ice White and Piano Black.
