

Epson TM-T70 Series

Where space is at a premium, simply tuck this fast, user-friendly thermal receipt printer under the counter

Unique design, enhanced service

The first PoS printer with front-facing controls, the TM-T70 is specifically designed for under counter operations in retail and hospitality. With a range of core, user-friendly features including front paper feeding with drop-in paper rolls, auto-cutter, remote maintenance counter and easy access operator covers, the TM-T70 enables fast, easy transactions and enhanced customer service.

Advanced and high-performance

Offering the high quality and reliability of Epson's world renowned TM-T88 series, the TM-T70 has advanced text, graphics and barcode printing capability. Unlike many other printers, the TM-T70 boasts the same quiet, high, print speed for both text and graphics.

Robust, reliable, flexible

The compact TM-T70 includes an external rear splash cover for increased spill resistance, enhanced cable management system and full auto status back reporting.

The TM-T70 benefits from new drivers including OPoS ADK, Java and Win APD and is equipped with a range of interface options including parallel, serial, USB version 2, powered USB, ethernet and wireless for seamless integration with existing retail systems.

DATASHEET

KEY FEATURES

- **Unique design**
Fully front operated, it fits under or on the counter
- **Splash proof housing**
Ideal for the rough hospitality environment
- **High print speed**
Doesn't let customers wait
- **Robust and reliable**
Saves cost for maintenance and service
