

## LAN as standard desktop printer

Small size yet fully featured

### Compact

The small footprint of the new CL-E300 makes it a perfect printer for tight spaces but still allows labels up to 4.5 inches wide to be printed on a 5 inch media roll.

### Connected

With an on-board Ethernet LAN interface as standard together with USB and Serial interfaces, the CL-E300 is perfect for all applications.

### Complete

The CL-E300 has 203 and 300 dpi versions, as well as cutter options, allowing you to use it in every direct thermal application from low to mid volume printing.

## CL-E300

Label, Desktop

### Applications

- Courier
- Logistic / Transport
- Pharmacy
- Retail

The CL-E300 is simple to use and intuitive, ensuring users waste no time when changing labels or adjusting settings.

# CITIZEN

Featuring on-board LAN, USB and Serial interfaces.
