Smart Mobile Terminal

SUNMI M3 New

Now, empower your entire restaurant operations.

Powered by **SUNMI OS** · Compatible with **SUNMI DMP** · Compatible with **SUNMI HYPER Wi-Fi**

Android Enterprise Recommended · Google Mobile Services · EMVCo

- **Enhanced Experience.**
  Seamless ordering and payment experience.

  Experience the 6.75" HD display that offers ultimate ordering experience.
  Enjoy swift, hassle-free checkout with NFC-enabled SoftPOS payments.

- **Enhanced design.**
  A device built for extended use.

  With a sleek metallic finish and ergonomic curved design,
  it fits perfectly in your hand for comfortable use.

- **Enhanced Performance.**
  Smooth operations during peak times.

  Powered by an 8-core 2.2GHz processor, it delivers smooth
  performance without lag.
  The 5000mAh battery and intelligent algorithm ensure all-day reliability.

- **Enhanced Protections.**
  Durability designed for harsh environments.

  With an IP65 rating for dust and water resistance, it withstands
 real-world challenges and also survives drops from 1.5 meters
  onto concrete.
